INFORM undertakes the production of ballots for Kenya

INFORM, a member of the **AUSTRIACARD HOLDINGS** Group, has signed a contract related to the supply of ballot papers for the elections in Kenya.

It is a three-year framework contract with a budget of 28 million euros and an estimated number of ballots in excess of 120 million.

The participation in this public tender is aligned with the Group's strategy to expand its activities to new markets, utilizing its know-how and productive infrastructure in the field of security printing.

The project is referring to the production of election ballots that have the highest security standards, special packaging, air transportation, as well as the traceability process to ensure safe delivery to each constituency.

The above mentioned ballot papers project is classified under the security forms category, in which **INFORM** has high specialization and proven long-term experience. This resulted, following a thorough technical evaluation, in being awarded for this project, whilst competing with companies of international stature and relevant know-how.
