INFORM P. LYKOS S.A. (Reuters: LYKr.AT)

Lykos names Roeland Vandekerkhove as Group IT Director

Lykos Group announces that Roeland Vandekerkhove, Managing Director of the Belgian based Technovisie, has been appointed Group IT Director. It should be noted that Lykos Group has recently acquired a 30% stake in Technovisie.

Pavlos Tryposkiadis, Executive Vice President & Chief Operating Officer, stated: “In order to support the significant growth of our Group in the European Market, we decided to further strengthen our Central Management Team with the addition of Roeland Vandekerkhove in the position of Group IT Director. His main responsibilities will be the improvement of the efficiency of IT operations and processes in all companies and the coordination and offering of consulting services for integrated IT projects on a Group wide basis.”

Roeland Vandekerkhove has studied Electronics and Electromechanics in Belgium and has worked as an IT consultant. Since 2002 he holds the position of Managing Director of Technovisie.
